

Hedland First National Named Pilbara's WA's Best - Again!

We are incredibly proud to share that Hedland First National has been awarded the 2024 Large Residential Agency of the Year by the Real Estate Institute of Western Australia (REIWA) — the state's most prestigious recognition in real estate.

What This Award Means

The REIWA Awards for Excellence are not about who sells the most properties — they're about setting the benchmark for ethical conduct, customer service, innovation, and leadership in the WA property industry.

Winning the Large Residential Agency of the Year award means our agency has demonstrated:

- Outstanding client service across all touchpoints
- A proven commitment to staff development and culture
- Strategic innovation in a changing market
- Deep community involvement and impact

We're proud that our efforts to raise the bar in Pilbara real estate continue to be recognised on a statewide scale.

A Team Effort, A Community Win

At the heart of this success is our incredible team — professionals who go above and beyond every day to deliver real value to our clients. From property management to sales and support, each member plays a vital role in helping people across Hedland achieve their property goals.

We also owe this recognition to our loyal clients and local community, who continue to trust us with some of life's biggest decisions. Your support, feedback, and word-of-mouth advocacy have helped shape us into the agency we are today.

Looking Ahead

As we celebrate this achievement, we're even more excited about the future. This award inspires us to keep evolving, keep listening, and keep striving to lead the way in regional real estate across Western Australia.

Thank you for being part of our journey — and here's to continuing to set the standard for real estate in Hedland and beyond.
